

Merry Christmas and Happy New Year!

It's the time of year to reflect on the past, present and future. It's also that time of year to give thanks for the good fortunes we have received. Spending quality time with family and friends is what Islanders aim for this time of year.

UPSE members work hard every day in both the public and private sectors to deliver professional services.

On behalf of your Board of Directors and all Islanders, I thank you for your support and the services you provide in making Prince Edward Island a better place to live.
