Dementia Care Certificate Program - 101

The Dementia Care Certificate Program is a comprehensive educational program offered by the Alzheimer Society of PEI for healthcare professionals, personal support workers, home care support workers and professional caregivers.

The program is composed of two courses:

1. Dementia Care Training 101 Program *(covers general awareness and basic hands-on skills)*
2. Dementia Care Training 102 Program *(develops hands-on skills as frontline professionals working with people living with dementia)*

Dementia Care Training 101

This 10-hour course will provide and enhance your knowledge and awareness of dementia, increase your effective communication strategies, and practice person-centred care which will enable you to provide quality care for persons with dementia.

You will learn and actively use Teepa Snow Positive Approach to Care which will assist in your understanding of the person living with dementia & behaviour.

Learning Objectives:

By taking this course you will learn ...

1. How to describe general aspects of aging, Alzheimer's disease and dementia
2. Experience how one experiences dementia via Virtual Dementia Tour
3. Learn how changes in the brain associated with Alzheimer's disease will affect all aspects of an individual's life
4. Recognize that a challenging behaviour is a responsive behavior
5. Learn communication strategies when working with someone with dementia
6. Apply specific skills and knowledge that transforms how one partners with a person who has dementia utilizing Positive Approach to Care – Hand under Hand basics

Dates: June 12 and 13, 2017 - 9 am – 3 pm with Homefun

Location: Alzheimer Society of PEI – 166 Fitzroy Street (space is limited – register early)
