**Civil Service, IRAC and WCB Negotiations
Move to Conciliation**

The President of the PEI Union of Public Sector Employees, Shelley Ward, says that “negotiations between UPSE and the Civil Service, IRAC and WCB are moving to conciliation. Negotiating teams have worked hard to reach an agreement since talks began in March 2010; however, a number of outstanding issues require third party intervention.”

Dates for conciliation are scheduled for June 24 and 25, 2010.
